

Help protect what you've earned.

You've worked hard to build a life for yourself and your family – don't lose it all to something unexpected. The **State Bar of Texas (SBOT) Long Term Disability (LTD) Insurance Plan**, issued by *The Prudential Insurance Company of America*, can help pay credit card bills, the mortgage, college tuition, and more if you're unable to work because of an illness or disability.

Features to help protect your financial future.

- Up to **\$15,000 in total monthly coverage** is available.*
- **Regular Occupation Coverage.** You can receive disability benefits if you are unable to perform the duties of your regular occupation, you are under care of a doctor, and you incur a loss of income of 20% or more. That means you won't be forced into another line of work to keep up with your expenses.
- **Coverage you can keep**—even if you change jobs—as long as you remain a State Bar of Texas member.

Choose your waiting period.

- A waiting period is the length of time between when your disability begins and when benefits start. With a shorter waiting period, benefits begin sooner; a longer waiting period provides a lower cost for coverage.

Choose your coverage amount.

- Members under age 65 can request from \$300 to \$15,000,* in increments of \$100.
- Please refer to the chart to calculate your rate based on your age, along with the monthly benefit and waiting period you've selected.
