| <b>(1)</b> Out-of-Network elective (non-preferred) professional services will be paid based on the 50th percentile of FairHealth. Out-of-Network elective (non-preferred) facility services will be paid based on the NAP Facility Charge Review under the National Advantage Program (NAP). Out-of-Network involuntary (preferred) professional services will be paid based on 125% of Medicare's allowable rate. Out-of-Network involuntary (preferred) facility services will be paid based upon NAP vendor contracts or NAP Facility Charge Review.<br><b>(2)</b> Some of these services require precertification. For Network services, your physician should obtain precertification for you, however, you are ultimately responsible for precertification for all services out-of-network, otherwise a penalty of 50% of the Plan's recognized charges, to a maximum of \$10,000 will be applied. Refer to Plan Documents for a complete precertification list.<br><b>Note:</b> This summary is not intended to be a comprehensive list of services and is not a guarantee of coverage. Once enrolled, you will be supplied with a Plan Document/Summary Plan Description (SPD) that will detail all covered services.<br><b>Note:</b> Infertility services, including, but not limited to, artificial insemination and advanced reproductive technologies, are not covered. In vitro fertilization is covered as specifically listed in the summary plan document, if elected by your employer.<br>*Embedded means you can satisfy the Family "Deductible" or the Family "Maximum Out-of-pocket" by meeting the individual amount for any one (1) covered family Member and then any combination of family Members may satisfy the remaining amount. No more than the individual amount will be credited to the Family amount for any one Covered Person and no Covered Person will be required to meet more than the individual amount each Benefit Year. |                                                                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                            |
